Performance Woven Indoor / Outdoor Fabric

Sunbrella® Contract Fabric

5 Colorways

Bleach Cleanable

Free of Added FR Chemicals / PFAS Free

Stellar is a captivating stripe that seamlessly blends intricate textures and vibrant colors, evoking the graceful dance of galaxies in motion. Within Stellar's palette of five stunning shades lies a spectrum of electrifying hues, such as Aurora and Atlas, imbuing any space with an eclectic upbeat energy. But Stellar isn't just about aesthetics; this pattern is engineered for exceptional durability.

With Sunbrella Contract's best-in-class strength, bleach cleanability, and color retention properties, Stellar delivers out-of-this-world performance indoors or out.
